§216.11

an approved exploration or mining plan, the operator shall make a report thereon to the mining supervisor and request inspection for approval. Whenever it is determined by such inspection that backfilling and grading have been carried out in accordance with the established requirements and approved exploration or mining plan, the superintendent shall issue a release of an appropriate amount of the performance bond for the area graded and backfilled. Appropriate amounts of the bond shall be retained to assure that satisfactory planting, if required, is carried out.

(c)(1) Whenever planting is required by an approved exploration or mining plan, the operator shall file a report with the superintendent whenever such planting is completed. The report shall—

- (i) Identify the permit or lease;
- (ii) Show the type of planting or seeding, including mixtures and amounts;
- (iii) Show the date of planting or seeding;
- (iv) Identify or describe the areas of the lands which have been planted;
- (v) Contain such other information as may be relevant.

(2) The superintendent, as soon as possible after the completion of the first full growing season, shall make an inspection and evaluation of the vegetative cover and planting to determine if a satisfactory growth has been established.

(3) If it is determined that a satisfactory vegetative cover has been established and is likely to continue to grow, any remaining portion of the surety bond may be released if all requirements have been met by the operator.

(d)(1) Not less than 30 days prior to cessation or abandonment of operations, the operator shall report to the mining supervisor his intention to cease or abandon operations, together with a statement of the exact number of acres of land affected by his operations, the extent of reclamation accomplished and other relevant information.

(2) Upon receipt of such report an inspection shall be made to determine whether operations have been carried

out in accordance with the approved exploration or mining plan.

§216.10 Inspection: Notice of non-compliance: Revocation.

(a) The mining supervisor and superintendent shall have the right to enter upon the lands under a permit or lease, at any reasonable time, for the purpose of inspection or investigation to determine whether the terms and conditions of the permit or lease and the requirements of the exploration or mining plan have been complied with.

(b) If the mining supervisor determines that an operator has failed to comply with the terms and conditions of a permit or lease, or with the requirements of an exploration or mining plan, or with the provisions of applicable regulations, the superintendent shall serve a notice of noncompliance upon the operator by delivery in person to him or his agent or by certified or registered mail addressed to the operator at his last known address.

(c) A notice of noncompliance shall specify in what respects the operator has failed to comply with the terms and conditions of a permit or lease or the requirements of an exploration or mining plan, or the provisions of applicable regulations, and shall specify the action which must be taken to correct the noncompliance and the time limits within which such action must be taken.

(d) Failure of the operator to take action in accordance with the notice of noncompliance shall be grounds for suspension by the mining supervisor of operations or for the initiation of action for the cancellation of the permit or lease and for forfeiture of the surety bond required under §216.8.

§216.11 Appeals.

An applicant, permittee, lessee, or lessor aggrieved by a decision or order of a mining supervisor or superintendent may appeal such decision or order. An appeal from a decision or order of a superintendent shall be made pursuant to 25 CFR part 2. An appeal from a decision or order of a mining supervisor shall be made pursuant to 30 CFR parts 211 and 231.
